

BORA BARIMAN

MANAGING PARTNER, HORMUZ STRAITS PARTNERSHIP

Bora Bariman is an energy and marine sector finance professional who has managed teams of bankers focused on structured commodity finance (oil products trade finance), project finance, leveraged acquisitions, and corporate reorganization. His EMEA/MENA relationship coverage includes sponsors of oil & gas investment in the North Sea and United Arab Emirates, particularly traders in Dubai and the Fujairah energy hub. Upstream advisory experience includes financing for onshore and offshore field reserve based lending and finance of related assets (FPSO vessels/offshore rigs), and midstream transaction experience covering LNG, refineries, oil terminals, gas storage and pipelines. Bora is a frequent speaker at Platts Oil markets conferences, Gulf Intelligence Energy Markets Forum, FUJCON, and marine finance conferences organized by Seatrade, The Maritime Standard, and Offshore Support Journal.
