

VICTOR YANG

SENIOR EDITOR, JLC NETWORK TECHNOLOGY

Victor Yang, a senior editor with JLC, has over 10 years of experience in information about China's oil market. He joined JLC in December 2017, after working with ICIS China for 10 years. Victor Yang has a wide knowledge about China's oil market and has been engaged in the production of news and reports on the Chinese oil market. He is now responsible for the training of JLC's English editors and the production of JLC China Petroleum Daily which he created in the middle of 2018. The daily has been well recognized by our customers.
